

### NATIONAL APPRENTICESHIP PROGRAMME (NAP)

The NAP is a mode of pre-employment training, which combines Work-Based Learning in enterprises with technical knowledge taught in MITD training centres to develop the necessary skills, knowledge and behaviours required of a trade. It aims at providing apprentices with a recognized qualification that eases their way to the world of work.

### SALIENT FEATURES OF NAP

- Attractive stipend  
**Rs 5,000 + Rs 1,000 (transport) monthly.**
- **NO** tuition fees
- **Real work experience under supervision.**
- Generally **80%** of learning takes place in enterprises and **20%** in MITD centres
